

IMPORTANT

Camper's Health History (for ages 0-17 years)

Please read the following information carefully. We are making every effort to provide the highest quality programming at camp. Sharing complete and accurate health information will allow us to provide the best experience possible for everyone involved.

We desire the very best for ALL campers.

What is Required:

- **A physical exam every two years.** If you have had a physical exam in the last two years, please indicate the approximate date and the name of the doctor where indicated on health history form and complete only the front side of this form. If not, please arrange to have one before camp begins, and have your physician fill out the back of the form. Most school activity exams qualify for this.
- A completed **Health History Form**. THIS IS REQUIRED BY THE STATE LAW. If possible, please complete this form and return it to the camping office at least 2 weeks prior to the start of camp. Otherwise, please bring it with you to camp. Keeping a copy for your records is a good idea.
- **Camper's Immunization Record.** Campers MUST be immunized against the diseases indicated before they can come to camp. They should have had these immunizations for school. If, for some reason, they have not had them, please get them before time for camp and fill in the date of immunization. If a camper comes to camp without this information, they will be risking being sent home. All of our camps are responsible to the State of Minnesota Health Department regarding this matter.
- A camp staff member will be designated as the "health officer" for the week. He/she gives out the medication. **All Prescription Medication Must Be In Its Original Container.** A doctor is on call. A nearby clinic is utilized for occurrences beyond ordinary first aid procedures.
- **Parent Emergency Notification** – Concerning your camper; we will call in an emergency or if we have questions about their health or behavior, to the number indicated on their health history form. Please provide contact information for at least two alternates who know your child should we be unable to contact you.

Thank you in advance for you compliance with these health regulations.
The Camping Office, Minnesota Annual Conference, The United Methodist Church

Additional Information

1. My child will be attending:

Campsite _____

Dates of Camp _____

Name of Camp _____

Camp Number _____

2. I understand that photos taken of my child at camp may be used by the Minnesota Annual Conference for promoting and publicizing camping. I give my permission for this.

Yes ___ No ___

3. I will not be able to pick up my child from camp. The following person is authorized to pick up my child from camp. (leave blank if you will be picking up your child).

Name

Phone Number

(Please notify camp if this information changes)

Insurance

INSURANCE COVERAGE is for expenses over and above those covered by a family's insurance policy.

There should be NO out-of-pocket expenses for those incidents that are camp-related. Camp insurance will cover any deductible, prescriptions, and expenses in excess of your company's maximum coverage. (Please note that our coverage does NOT cover illness, which is not specifically camp-related, e.g. appendicitis or strep throat).

Camper's Name _____

Insurance Co. _____

Policy # _____

CAMPER PARTICIPATION & AUTHORIZATION FOR TREATMENT

PARTICIPANT PERMISSION: My child, described herein, has permission to engage in all prescribed camp activities except as noted by me and/or an examining physician. I understand that camp activities can be strenuous and that some activities involve a risk of accidents which may result in serious bodily injury or harm to my child (e.g. swimming, canoeing, field sports, hiking, biking, team building activities, transportation by camp vehicle, and other normal camp activities). Additional specific camp description information available in camp brochure and deans letter. For all activities deemed outside the normal camp experience, parents will be informed and special permission requested (i.e. horseback riding, high ropes, water skiing, etc.)

AUTHORIZATION FOR TREATMENT

I authorize the camp doctor, nurse and/or health supervisor to treat my child as they determine is necessary for the time my child is at camp. (e.g. "tylenol")

IN AN EMERGENCY, I hereby give my permission to the licensed physician selected by the camp director, to administer proper treatment and routine medical care, anesthesia, surgery and hospitalization for my child named on this form and to release necessary medical information for insurance purposes. I further authorize the camp health officer access to test results, diagnoses, and treatment plan (limited only to the time my child is at camp) in order to best care for him/her and others at the camp.
